Turn off the A14 at the Bar Hill/Longstanton junction (B1050). Follow the road towards Longstanton. At the roundabout take the second exit (the first exit is currently blocked).

You will come to another roundabout – take the second exit. At the mini roundabout take the left exit for Willingham. Willingham is about 2 miles further on. As you drive through Willingham, watch out for the speed camera shortly after the 30mph sign.

Go straight on at the traffic light controlled cross-roads. This is Willingham High Street. The Grange is number 44 (on your left) – Turn left into Covent Garden just before you reach the Grange (opposite the barber shop), the entrance to the car park is on the right hand side.
